

...One Coupon At A Time

The Mission:

Record tornadoes raked the Southeast in number, strength, damage and deaths in late April 2011. In an effort to help families affected by the catastrophic tornadoes and flooding in this region of the U.S. and to inspire others to do the same, we are hosting a week-long **Hip2Help Benefit Tour** in four hard-hit locations in early July.

We give little when we give of our possessions. It is when we give of ourselves that we can truly touch another person's life. [Anonymous]

How You Can Help:

To make this benefit a success, we are asking for your help! The success of these events will be credited largely to our sponsors! Think about how much you can give to this cause - and we are not talking necessarily about monetary donations.

We want to bring hope and joy into the lives of affected residents by coming together for special events in each hard-hit location. Your sponsorship will bring music, entertainment, food, giveaways, donations and most of all - lots of smiles!

In addition, you can help sponsor one or two families in each location who were greatly disadvantaged by these catastrophic events.

By participating as a sponsor, your organization will benefit from extended exposure through media campaigns and promotional efforts directed toward the supporters of the **Hip2Help Tour**.
